## Imagine Your Story!

“Once upon a time, there were children who wanted to go on an **adventure**. So, they went in search of their very own story. Sometimes they walked through the **deep dark woods** keeping an eye out for **trolls** or **wolves** or **giants**. Sometimes they found themselves in the **most beautiful gardens** searching for and then playing with **delightful fairies** or **mischievous gnomes**. Sometimes they were invited to tea with **kings and queens, princes and princesses** as the **brave knights** told tales of battles won and deeds completed. And the children found that as they **imagined their very own story**, they had the power to **live happily ever after**.”

**Choose three** of the six sheets that interest you and let the fun begin!

- Children **six and under need three points** and children **seven and over need five points** on each sheet to complete that sheet. **Three sheets must be completed for a prize.**
- Please bring projects to the library for display. Edible crafts are best if eaten fresh...PLEASE DO NOT FEED THE LIBRARIANS!
- Activities must be **signed by an adult** and after the third sheet is done, bring packet and projects to the library and the pages are **stamped by a librarian**. You will be able to pick out your book prize donated by Perry Valley Grange (while supplies last).
